**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on the services of a local competitive internet provider. For six years I have used Sonic which is a competitive provider. I want to keep using this company for a long, long time.

As a senior, age 81, I have to say no to price hikes that will increase the cost of internet and telephone services. Competitive providers can keep prices affordable for people like me and my senior friends and neighbors.

Please join me in supporting broadband competition.

Sincerely,

Irene Ng
